

Where to get more information on 5G health/environmental effects:

- **Environmental Health Trust:** <https://ehtrust.org/> and <https://ehtrust.org/?s=5G>
Website of epidemiologist Devra Davis, MPH, Ph.D.
- **Electromagnetic Radiation Safety:** <https://www.saferemr.com/>
Section on 5G: <https://www.saferemr.com/2017/09/5g-wireless-technology-is-5g-harmful-to.html>
Website of Joel M. Moskowitz, Ph.D., Director, Center for Family and Community Health, School of Public Health, University of California, Berkeley
- **What is 5G?** <https://whatis5g.info/about-5g-iot/>
Website of Maryland activist Kate Kheel
- **Physicians for Safe Technology:**
<https://mdsafetech.org/advisory-board/cindy-russellmd/> and <https://mdsafetech.org/5g-telecommunications-science/>
Website of Cindy Russell, MD., California
- **White Paper: National Institute for Science, Law and Public Policy, “Re-Inventing Wires: The Future of Landlines and Networks.”** Explores why 5G antenna densification is an ill-advised technology.
<http://electromagnetichealth.org/electromagnetic-health-blog/wires-long-press-release/>
- **Electromagnetic Health:** Letters posted by Professor Beatrice Golomb, MD., PhD, UC San Diego and Professor Emeritus Martin Pall, Ph.D., Washington State Univ., on 5G:
<http://electromagnetichealth.org/wp-content/uploads/2017/10/Golomb-Beatrice-Sept-2017-FINAL1.pdf>
<http://electromagnetichealth.org/wp-content/uploads/2017/10/Pall-Martin-Ltr-to-Gov-Brown-092317.pdf>
Website of Camilla Rees, MBA

Recent Scientist Appeals:

- **International EMF Scientist Appeal to the UN:**
www.emfscientist.org
Signed by 244 scientists/researchers from 41 nations as of August, 2018.
- **International 5G Appeal to EU:** <https://www.5gappeal.eu/scientists-and-doctors-warn-of-potential-serious-health-effects-of-5g/>
Signed by 230 scientists from 40 countries
Appeal initiated by Lennart Hardell, MD., Ph.D.
